

Class Discovery

SUPERHEROES

Tasks

1. Choose a teddy or toy, make it a cape to wear and turn it into a superhero. Take some photos of your superhero in your garden, or home, or whilst your out for your daily exercise, and send them to the school Facebook page
2. Outside, count as many insects as you can see. Sometimes if you lift up a big stone or rock you can see some insects living underneath it. With help, write down how many you saw, and if you know what they are called.
3. Draw a picture of your new Superhero and you can send that to the school Facebook page if you like.
4. Tell your superhero a story. You can read it a story from a book, or you can make one up yourself.
5. Does your superhero have a name? What is it called?

I look forward to seeing all your pictures and photos
