

### Street watch

Look out a window that looks onto your street. Try to keep a note of the different colours of vehicles that pass your house. You can photograph, sketch or use the tally graph below to help you note how many you see.

<b>Colour of car</b>	<b>Tally</b>	<b>Total</b>
<b>Blue</b>		
<b>Black</b>		
<b>Red</b>		
<b>White</b>		
<b>Silver</b>		
<b>Green</b>		
<b>Orange/yellow</b>		

Here are the tally marks for 1 to 4:

tally 1 – I  
Tally 2 – II  
Tally 3 – III  
Tally 4 – IIII

BUT the 5th mark is  
drawn ACROSS the previous 4 marks:  
tally 5- ~~IIII~~
