This week your task from Mrs Strachan involves drawing. I know lots of you enjoy drawing, designing and creating so have a look at this YouTube channel. It's called the Art Hub for Kids.

You can copy and paste the above link into YouTube or type 'art hub for kids' into YouTube.

Choose 2 of the videos to follow and draw. If you enjoy this activity you can choose more characters to draw. There are lots of things to draw so make sure you scroll all the way down to see all the choices.

Stay safe,
