

Hi everyone ! I hope you enjoyed reading the interesting facts about Japan. I watched the 2011 tsunami on You Tube again – WOW !

Here are some of the towns and cities affected by the tsunami. Can you put them in ALPHABETICAL ORDER ?

Fujisawa Asahi Yamada Tokyo
Iwaki Hirono Yokohama Nikko

Can you find them on a map of Japan ?

Children's Day in Japan is on May 5th. This day is celebrated to honour children globally and to protect them. On this day children have parties and outings to special places.

If you had to organise Children's Day, what kind of games and outings would you organise ? Would you go to theme parks, sports centres, cinema ?

Either write about your perfect Children's Day or draw and label your perfect Children's Day

(There are lots of videos on You Tube showing a typical Children's Day.

Koitomo no hi – Children's Day)

Extra challenge – Friday May 8th is V.E. Day . Can you find out what this means ?

The celebrations for V.E. Day this year are more spectacular than in previous years. Can you find out why ?
