

## Week Beginning 18<sup>th</sup> May- Class Challenger

Hi Class Challenger!

I hope you enjoyed the drawing task last week.

The task this week is to have a go at creating a story.

Your story is going to be a made up story about a **superhero**. The superhero can be a made up one or one that you know already like batman or Spider-Man.

I'd like you to include a sound word in your story. We talked about sound words when we read *The Midnight Gang*. The big word for these is **onomatopoeia**!

Have a look at this song to remind you about onomatopoeia:

Words you might want to use are Bang! Crash! Whizz! Pop!

For your story you will have to think of:

- A title
- Where the story will happen
- What will happen
- Who will the superhero be

This is just a bit of fun so give it a go and see how you get on!
