

Weather Journal

Watch the video below about different types of weather and how to record it.

<https://youtu.be/Uo8lbeVVb4M>

Pick a day to start from and at the same time each day, record what the weather is like. You can draw, write or take a photograph of what the weather is like.

If you have a thermometer take it outside to record how cold or warm it is. Alternatively you can look at the weather forecast on the local news or look it up on - <https://www.bbc.co.uk/weather/ab43>

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>	<u>Saturday</u>	<u>Sunday</u>
