

Spring Missing Numbers

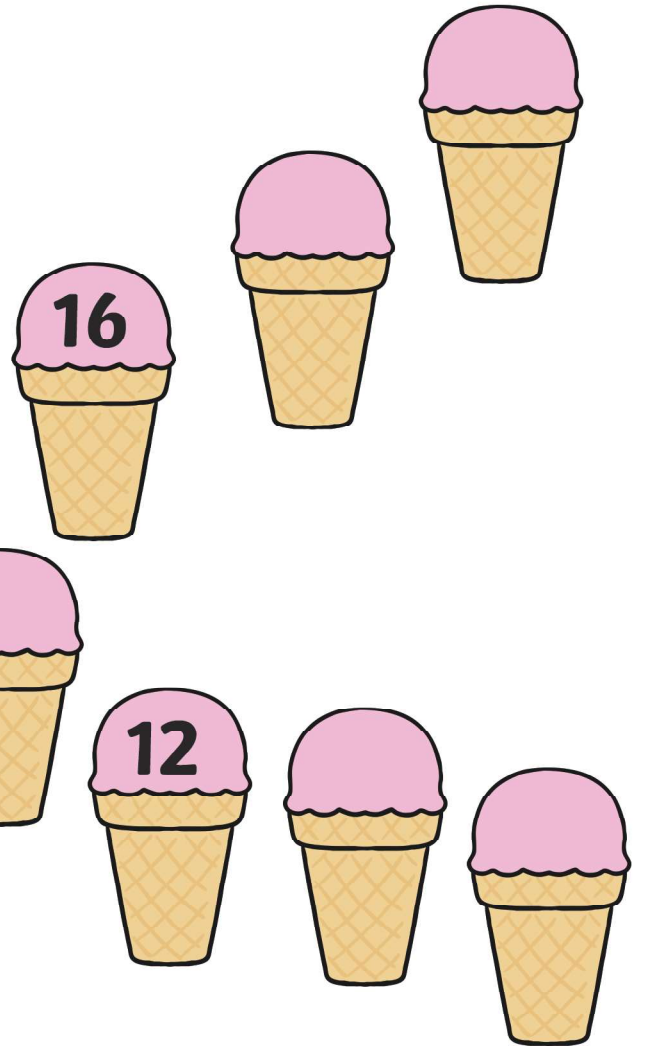

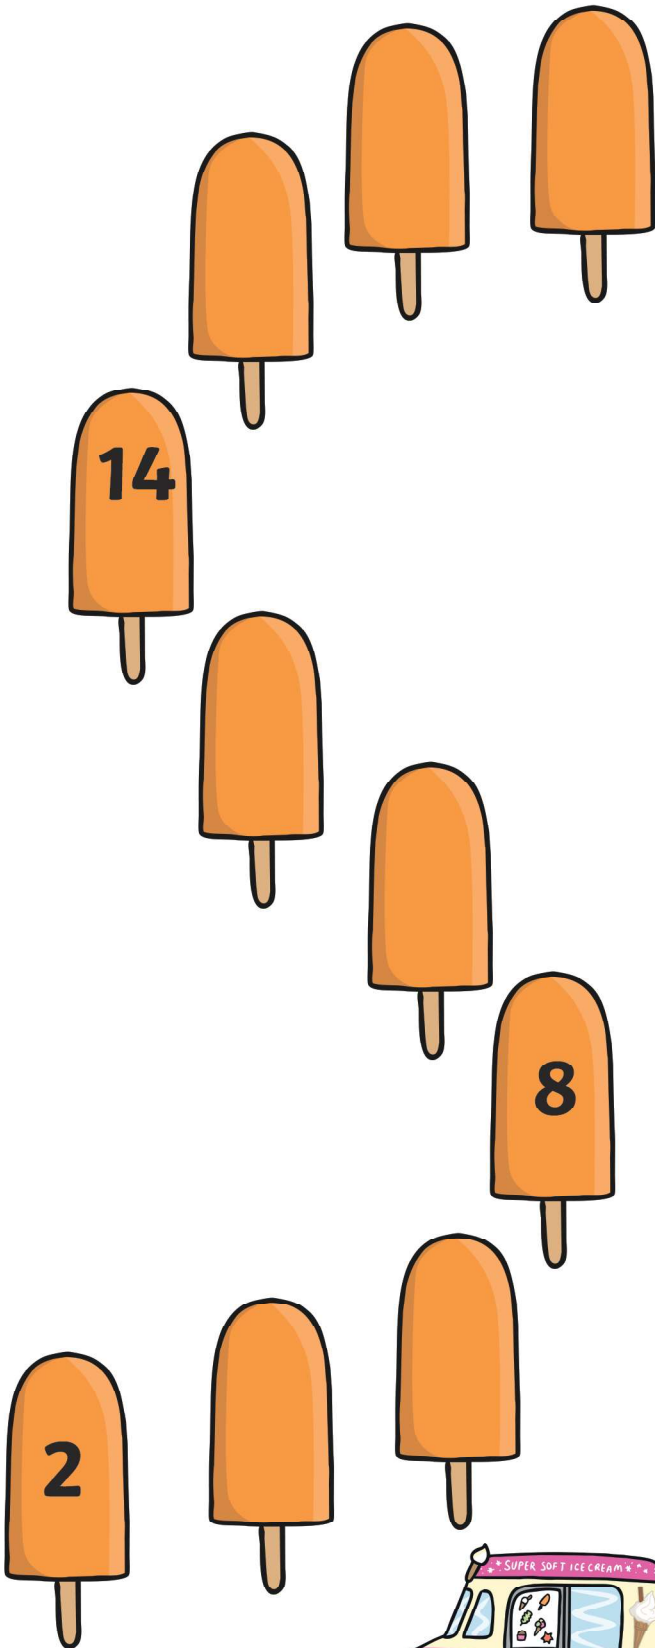

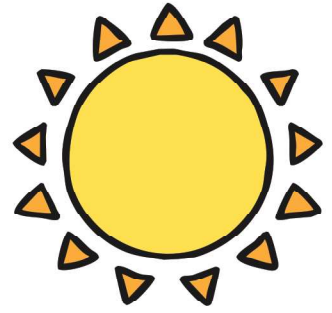

Counting in 2s

A collection of flowers arranged in two paths. The left path consists of blue flowers, and the right path consists of purple flowers. Each flower has a yellow center containing a number or a blank space. The numbers in the blue path are 2, 10, and 18. The numbers in the purple path are 6, 12, and 16. There are three monarch butterfly illustrations scattered around the flowers.

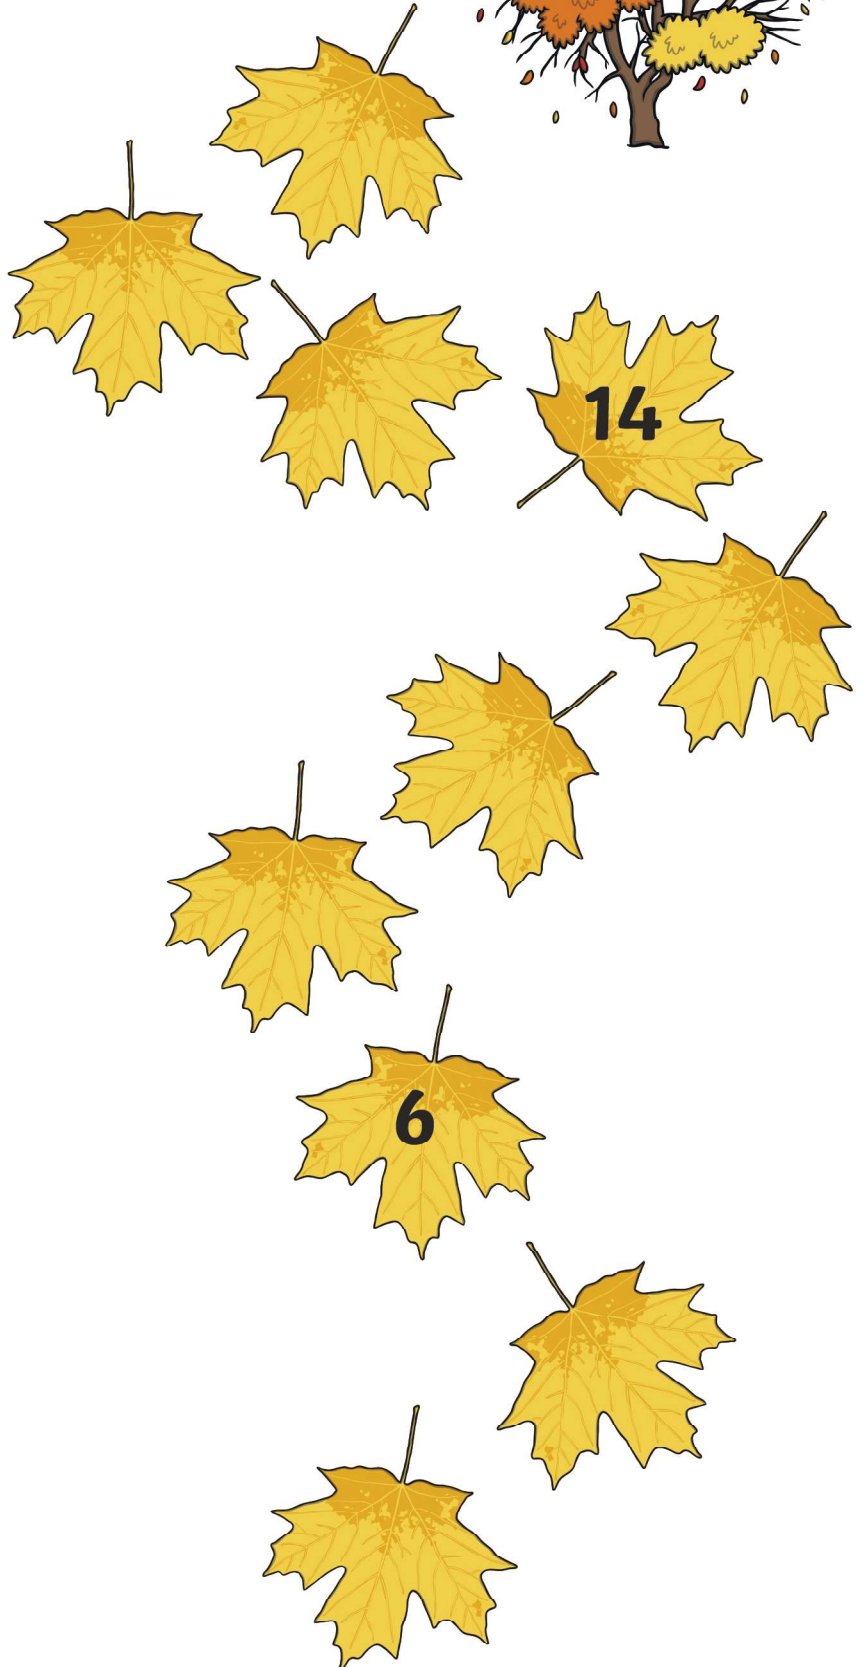

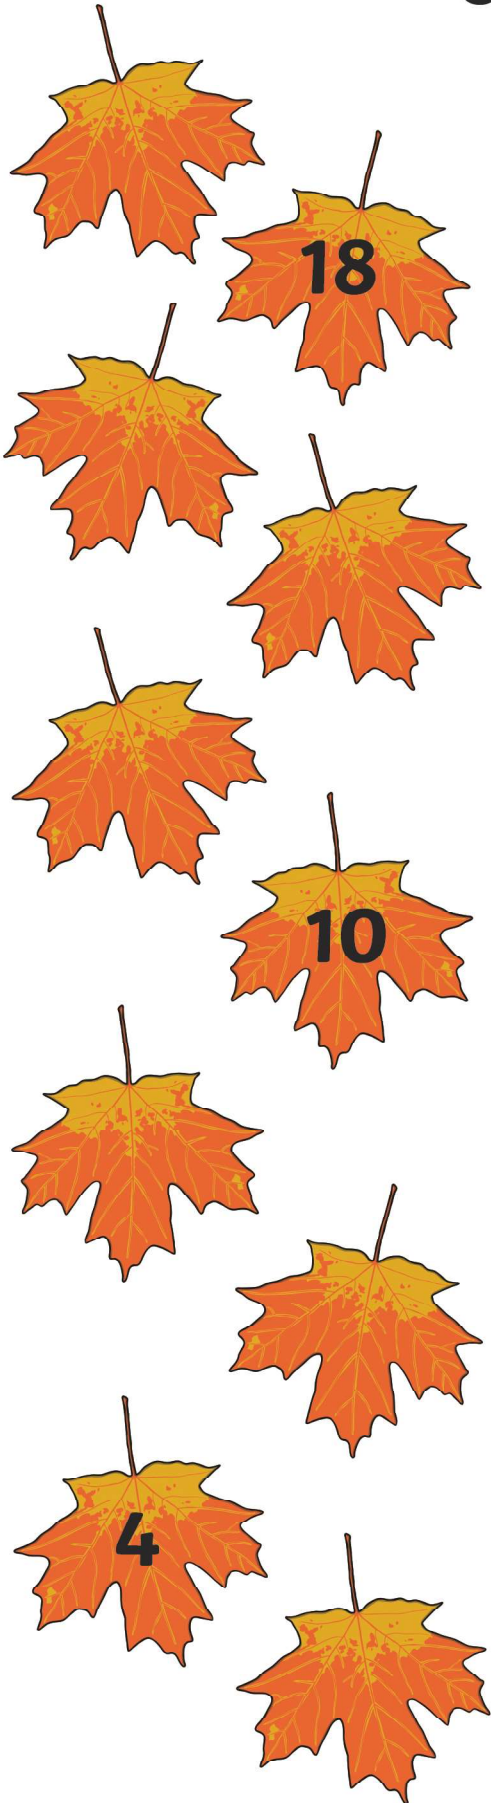

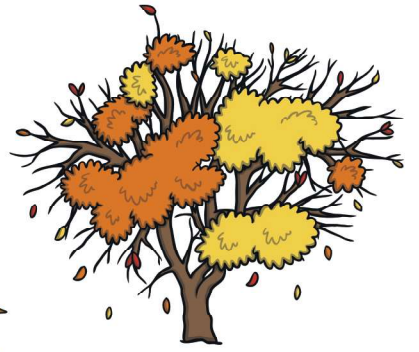

Summer Missing Numbers

Counting in 2s

Autumn Missing Numbers

Counting in 2s

Winter Missing Numbers

Counting in 2s

A large, winding path made of snow leads through a winter scene. The path is marked with numbers in white circles, some of which are missing. The numbers are arranged in a sequence that counts in 2s: 2, 4, 6, 8, 10, 12, 14, 16, 18, 20. There are two children playing in the snow. One child is wearing a purple jacket and blue pants, and the other is wearing a green jacket and red pants. They are both holding snowballs. The path starts at the bottom left with the number 2 and ends at the top right with the number 20. There are several empty circles along the path for students to write the missing numbers.
