

Term 4 week 7

Hello everyone time is rushing by I hope we are all keeping well and safe. This weeks topic is to be on fire safety. It is important to know how to keep ourselves safe in case of a fire and not to panic.

There is a link on the page to a selection of fire safety booklets from the Shetland council page choose one or bits from a few of them and fill them out. There is also some videos below which are very good but remember the Scottish number to phone is 999 even though all of the videos are American and say 911.

Stay safe

Have a nice week

Mr webster.
